

MED 2021

29th Mediterranean Conference on Control and Automation

JUNE 22 – 25 2021, BARI, ITALY, <http://med2021.poliba.it>

Complimentary Workshops for Students

The Organizing Committee of MED 2021 is pleased to announce that, thanks to the support of MCA, complimentary registration to workshops can be offered to students.

The workshops list is available at <http://med2021.poliba.it/wordpress/workshops-and-tutorials/>.

Students interested in attending a workshop are requested to contact the conference organizers at med2021@poliba.it by June 16th, 2021, indicating in the email:

1. name, surname, email address;
2. the selected workshop they wish to attend;
3. an official document confirming their status as full-time students and the degree program they are enrolled in.

Requests for registrations will be accepted subject to availability.

Information for attending the workshops will be published at <http://med2021.poliba.it/> and will be sent to all registered participants.

**We are looking forward to involving as many students as possible
for a scientifically inspiring MED 2021!**
